

WE ARE BLESSED TO BLESS
MAKE CARDS FOR NURSES AT HOWARD COMMUNITY HOSPITAL

We are excited for this opportunity to support, care, and encourage those in our community who are working hard to care for us, keep us safe, and keep us healthy. We have several nurses who attend Crossroads who are on the front lines. They need our prayers and support. Pray they have enough protective equipment to protect themselves and others. Pray for wisdom, peace, and protection.

If you would like to send cards, notes, or pictures of encouragement to nurses at Howard Community Hospital, send to communityHoward@ecomunity.com They will post on the nurses daily website. She will also print and hang them by their cafeteria. Feel free to scan, send pictures, or type an email. Be sure and write NURSES ENCOURAGEMENT in the subject line.

Let's shower our nurses with our love and encouragement.
